

IMPORTANT: Use of University parking lots requires an appropriate permit issued by Parking Services. The parking designations on this map are subject to change. Individual lots are identified by letter and current parking designations are posted at the entrance to each lot or appropriate spaces within the lot.

VISITORS: Visitors are required to display a permit Monday through Friday from 7 a.m. until 6 p.m. Printable permits are available online at the university's secure parking portal: radford.t2hosted.com/Account/Portal. Permits are \$5 per day. You may create an account and revisit as needed. Anyone parked on university property may receive citations if parked in violation of university parking regulations.

Handicapped parking is available in designated parking lots as indicated or marked either permanently or temporarily. Only persons with valid disability plates or placards may use these spaces.

If all handicapped parking is full in a particular area, eligible persons may also use metered parking spaces without having to pay the meter.

Faculty/staff and students with proper disability plates or placards, while eligible to park in these areas, are still required to purchase a Radford University Parking Permit and have it displayed while parked on campus.
